

April 2023

Dear customer,

In accordance with your request, we attach the following proposal for your consideration

QUANTITY:	1 UNITS
MODEL:	SP71PS45X
QUOTE NUMBER:	
REFERENCE:	

Should you require clarification regarding any matter or if you would like to receive further information, please do not hesitate to contact us.

Thank you for trusting in us.

WE MOVE FORWARD WITH YOU

BOX

SP71PS45X STANDARD REFRIGERATED SEMITRAILER FS 45

<i>Dimensions</i>	External	Internal
Width:	2590	2500
Height:	2865	2650
Length:	13550	13355

<i>Thickness</i>				
Sidewalls	Floor	Roof	Bulkhead	Rear doors
60	125	90	105	90

Observations

DUAL TEMP CONFIGURATION.

THICKER SIDEWALLS OF 60MM.

3 internal lights standard with motion sensors. Ceiling light connection on plot num 6.

Standard aluminum kickstrips 250mm all around inside.

Top rear lights are : 2 multi-functions at sides.

Total height is: 1200 coupling height + 70 flat chassis + 125 floor + 2650 internal height + 95 roof = 4140mm.

COMPOSITION

1.00 UN	1011303	Reinforcement rear evaporator + lateral drain tubes with air blowing towards FRONT T
1.00 UN	1012200	Low noise pechiney or "rice grain" aluminum floor for trailer
1.00 UN	1012500	Reinforcement in the floor for 15/18 tons king-pin
1.00 UN	1012520	Floor/sidewall reinforcements for logistical transport
1.00 UN	1071040	Channel with tubes for 2º evaporator
1.00 UN	1102112	Special door retainer "no-hit"
1.00 UN	1105500	2 extra locking bars at the rear doors
1.00 UN	2023102	Closed spare wheel box painted white colour
1.00 UN	2024055	Closed pallet box with galvanised doors painted in white
1.00 UN	2064021	Lateral spray supression for 5º wheel 1200mm with flaps (UK stylø)
1.00 UN	2095094	Vertical position of the long vehicle plate
1.00 UN	4022552	Sliding automatic bulkhead FRIGOWALL
26.70 ML	4041010	LOADLOK rail type 3009 galvanised and not recessed(price per lineal mete)
1.00 UN	4051151	4 horizontal rubber pallet protection buffers located in front bulkhead
1.00 UN	4061037	3M reflection partial tape at sidewalls (on capping) rear doors
1.00 UN	4061109	3 Blind stickers
1.00 UN	4081011	Large rear sliding access ladder with 3 steps and shelf
1.00 UN	4093024	ATP certificate IR with frontwall open
2.00 UN	4991004	Water siphon on aluminum plate/floor, welded tube
1.00 UN	4991404	250mm aluminum kick strip protection rear doors
1.00 UN	4992060	Non standard rear frame
1.00 UN	4992212	St steel external frontwall protection of the top corners
1.00 UN	4993189	St steel protections for front galibo lights
1.00 UN	4993191	Marker top ligths ERMAX VALUE FIT flashing + brake + position

CHASSIS

2815002 3 axles flat chassis SP-71 UK model with drum brakes 42x18 cm and 1200 mm fifth wheel

5th Wheel height: 1200

Axles .Wheels: 3

Colour: Galvanized chassis

COMPOSITION

1.00 UN	2090105	SAF lift axle
1.00 UN	2092000	Electrical system EBS on one axle (2S/2M) R.S.S.
1.00 UN	2092601	15 poles electrical connection + standard 2x7
1.00 UN	2092614	Rear lights ASPOCK EUROPOINT III
1.00 UN	2092700	LED lights for rear middle plates
1.00 UN	2093036	Without spare wheel carrier
1.00 UN	2093117	3 axles chassis with SAF drum brakes offset 0 mm
6.00 UN	2093441	1 R. CONTINENTAL 385/65 R22.5 HT3 SR M+S B000
1.00 UN	2093504	TASC valve by WABCO (+RTR)
6.00 UN	2094000	Ferry rings
1.00 UN	2095086	2 Galvanised BUMPEROLL SOR with absorption at second
1.00 UN	2095090	line Mounting and fitting 2 Bumperoll steel bumpers at
1.00 UN	2096002	second line JOST Modul landing legs
1.00 UN	2098012	Chassis galvanised
1.00 UN	2100000	Reinforced king-pin for 15 tons
1.00 UN	2100006	12mm reinforced chassis rubbing plate
1.00 UN	2900100	VTG documents holder

Observations

MARCA: , MODELO:

Flat chassis.

Drum brakes, 6 wheels offset 0mm.

Landing leg crank on left hand side.

Raise lower valve with RTR.

Square plate holder.

COOLING ENGINE

1.00 UN 3290034 GR THERMOKING SLXi SPECTRUM 2 50 S3

EXTRAS

1.00 UN 3032115 Poliethylene 240L fuel tank including supports and mounting

1.00 UN 3032134 Cooling engine configurated in English
